DISCUSS SHOW... William Monahan (left) of the Marineland, and Frank Sennes, world famous showman and impresario at the Moulin Rouge, discuss details of a proposed summer show series at Marineland with (appropriately) a mermaid. The spectacular water ballet, variety, and aqua show will be held this summer in the new arena.

Sennes to Stage Spectacular At Marineland This Summer

Frank Sennes, whose productions at the Desert Inn and Stardust Hotels in Las Vegas as well as the famed Moulin Rouge of Hollywood have earned for him a reputation as a showman, has announced finalization of arrangements with William F. Monahan, vice-president and general manager of Marineland of the Pacific, for the inauguration of an enchanting season of outdoor summer evening entertainment.

The world premiere of "Frank Sennes' Starlight Spectacular — Stage and Aqua Show," staged and directed by Donn Arden, will be held Tuesday evening, June 9 in the 3000 seat Sea Arena of the world's largest oceanarium, in Palos Verdes.

In addition to several aquatic numbers, the show will include a circus review and several American, African, and Italian flavor. Among the headliners to be featured are the Los Gatos Trio of South America.

Tickets, at \$3 apiece, will be sold in advance at the Marineland box office, Southern Calif. Music Co. and all Mutual Ticket Agencies.
